The ROSSMOOR CHARITY PRO-AM GOLF CLASSIC was started in 1985 by a group of dedicated, active adult golfers as the Rossmoor Charity Pro-Member Golf Classic. It recently changed its name to allow non-members to be a part of this great charity event.

The intent has always been to conduct an annual tournament for golfers from the Rossmoor Community from which all proceeds go to local and some national groups supporting the aged and needy. Some of the groups receiving donations are the Rossmoor Kiwanis Food Pantry, the Monroe Twp. Rescue Squad, the Order of the Purple Heart, Cookies for a Cure, St. Peters Hospital Children's Division and St. Jude Children's Hospital. So far the event has generated over $800,000.00 in donations.

Over the years we have had many major sponsors, including The Bank of Princeton. To increase interest in being a part of the tournament we recruit PGA golf professionals from New Jersey and surrounding States to participate in the event. Each entrant into the tournament is guaranteed to play with one of these professionals. After a great day of golf everyone is invited to enjoy dinner and an awards program, but most rewarding and meaningful is continuing the tradition of community working together for charitable contributions.

The Bank of Princeton is very convenient, the staff is very knowledgeable, professional and personable and your services are perfect for what we need.
