We are looking forward with excitement to the Spring of 2019 when MoreBank, a Division of The Bank of Princeton will *officially* be recognized as The Bank of Princeton.

You will begin to see changes at all three MoreBank branch locations in the upcoming weeks. Please be assured the products and services you have in place will remain unchanged. The same knowledgeable, friendly and courteous staff will continue to assist you with your daily banking needs. In addition, our employees would welcome an opportunity to provide assistance either now or in the future with the further development of your relationship.

Here is some important information to keep in mind:

**Branch Hours:**

All branch hours will remain the same.

**ATM/Debit Cards:**

You may continue to use your current ATM/Debit card. When your card expires, a new card with The Bank of Princeton logo will be issued to you. If you wish to request a new card with The Bank of Princeton's information on it, you may do so by visiting your local branch and speaking to a Customer Service Representative.

**Checks:**

Your current checks will still be valid. Please feel free to use your checks as you normally would. If you would like to request new checks with The Bank of Princeton logo on it, please contact your local branch for assistance.

**Online Banking/Mobile App:**

There will be no changes to your online banking or mobile app accounts. You can log in as normal and access your personal banking account(s) to check balances, view transaction history, transfer funds, and now... *make deposits!*

**Safe Deposit Boxes:**

There will be no change to your safe deposit box contract.
