In 2000, we opened Bluefin restaurant with one goal in mind: to serve the freshest fish and the most authentic Japanese dishes in the area. We take great pride in the quality and variety of our food. Our Chefs and staff work tirelessly to offer customers an excellent fine dining experience. With loyal customers and on-going great reviews, it seems to be working out.

We bank with MoreBank, a Division of The Bank of Princeton, because they share the same philosophy of customer satisfaction being the most important priority. Just like our customers love our caring hospitality, I am completely satisfied with MoreBank's high quality and customized service.
