Mike's Courtside Sports Bar & Grill has a wide variety of food and drink items in a unique atmosphere that help this sports bar differentiate itself from other sports bars and restaurants in the area. Our award winning pizza and burgers are a town favorite and continue to gain recognition amongst the best around the state. Our high quality, casual menu fits the downtown New Brunswick lifestyle perfectly and to compliment that we also have an array of seating to suit the diners needs. We also provide a private dining room area for those wishing to book parties, special events, meetings etc.

One of the reasons we like banking with The Bank of Princeton is the friendly and helpful staff. (Not to mention the convenient location!)
