Michael Barrood. Owner

The Court Tavern has been a staple of New Brunswick nightlife and culture for decades. After a brief hiatus and new ownership, it stands as the last surviving bar/music venue in town. We continue to present good local and national talent in a live music environment, and also offer activities such as open-mic performances, art exhibits, movie nights, comedy showcases. We welcome all good people to come grab a drink and hang out with us.

We chose The Bank of Princeton because they are a good local bank that we can depend on and work with closely.
