New Windsor Brands, LLC was founded in 2001, with Mr. Ved Singh as President. At New Windsor Brands, LLC, our mission is to bring safe, affordable personal care products for babies and adults to market. We are extremely proud of our relationship with Disney Consumer products. New Windsor Brands, LLC is committed to bringing high quality products that are both affordable and respectful of our environment. In the 10 years that we have been in business we have helped consumers take care of their family while saving money for some of the more important things in life. All of our products are made in USA.

We established a banking relationship with The Bank of Princeton in May of 2009. We continue enjoying the personalized service provided by the knowledgeable and professional staff at The Bank of Princeton.
