Some people are tired of the same old food you can get anywhere, but here at Thinkgrill it's the American barbecue with a twist of Greek. This Greek-American restaurant offers eat-in, take-out, delivery and catering services to South Brunswick and the neighboring communities. It's simply healthy food, made fast! You might ask, how it was possible to make an American barbecue Greek, but it is. Not only do they offer ribs that fall off of the bone, and delicious rotisserie and charbroiled chicken, but they also offer Greek specialties like Mousaka, Spanikopita, Pastisio and let's not forget the Gyros.

Thinkgrill is a family style restaurant and is family owned. Having a welcoming staff with great service makes the experience at Thinkgrill different from anywhere else. They were named the best ethnic restaurant in South Brunswick from Patch.com.

Having only been open just over a year, owners Pete and Phil Dimitrakis have made great success. A part of this success is due to the loyalty and great customer service they have received through banking with The Bank of Princeton. The Bank of Princeton is a community bank that is able to help with all of Thinkgrill's and the owners needs. They make it easy, simple and convenient when needed.
