Dae Auto Care Center was established in 2010 and is conveniently located on Main Street in Lansdale, in the Luke Oil gas station. We have state-of-the art diagnostic tools and equipment and pride ourselves in bringing our clients the finest auto servicing in the area. We service all makes of foreign and domestic vehicles, including light trucks and SUV's and are committed to our client's satisfaction.

We do our banking with MoreBank, a Division of The Bank of Princeton because we share the same commitment to client service and its friendly and courteous staffs are always available to provide us with a full range of banking solutions and high standards of personalized care.
